## HURRIFEX

### AUSSTATTUNG & BESCHREIBUNG

Combined unit with savings in space, materials and transportation effort compared to two separate machines.

Wide range of uses with simple operation and high availability

Separation efficiency up to 95 percent at throughputs of 60 m<sup>3</sup>/h - Low energy costs due to electrical drive of all components.

Feeding conveyor with adjustable speed  
Separation chamber with pressure fan and suction fan  
Corrugated belt conveyor for discharge of stone fraction  
Suction fan, hinged for maintenance  
Hinged towbar

### SPEZIFIKATION

<b>Kategorie:</b>	Separation
<b>Hersteller:</b>	Komptech
<b>Serien- /Referenznummer:</b>	96020
<b>Bezeichnung:</b>	HURRIFEX
<b>Baujahr:</b>	2017
<b>Betriebsstunden:</b>	3.500 h
<b>Gewicht:</b>	14.000 kg
